**All in one factory:**

“makes a lot of things  
less complicated”

## **Dedicated supplier to some of the most successful mattress producers in the world...**

Knitted mattress ticking is our main product, but we have also made it a key competence to offer added value and service to the product: We can perform in-house quilting and production of your customized mattress or pillow cover.

Our know-how and expertise, which was originally acquired in Denmark, has been fully incorporated in our production facilities in Ukraine and Poland.

**We will help you develop your unique fabric design and construct the perfect fitted cover for your mattress.**

**We will work with you to design the fabric that will make your mattress stand out in the market-place, and we can handle most additional services in terms of cut & sew, quilting and logistics.**

# Knitting

Our knitting department is equipped with the latest circular knitting machinery in various diameters and settings for the production of double knit jacquard ticking - as well as a range of complementary jerseys and velour fabrics.

# Finishing

Our in-house finishing department is equipped with state-of-the-art machinery to perform processes from washing and bleaching to dyeing, printing and padding of various finishes and applications.

# Brands and stories

At Sunds Textiles, we work with most yarns, finishes and brands commonly used in the mattress industry.

We look forward to guiding you through the possibilities with regard to creating the design and performance which will best compliment your mattress.

# Mattress covers

Tailor-made zipped covers for perfect fit on your mattress core.

In-house sewing and quilting departments, qualified for the production of most mattress covers, toppers and pillows.

# Quilted or non-quilted

Multi-needle as well as single-needle quilting machinery available.

# Made to your exact specification

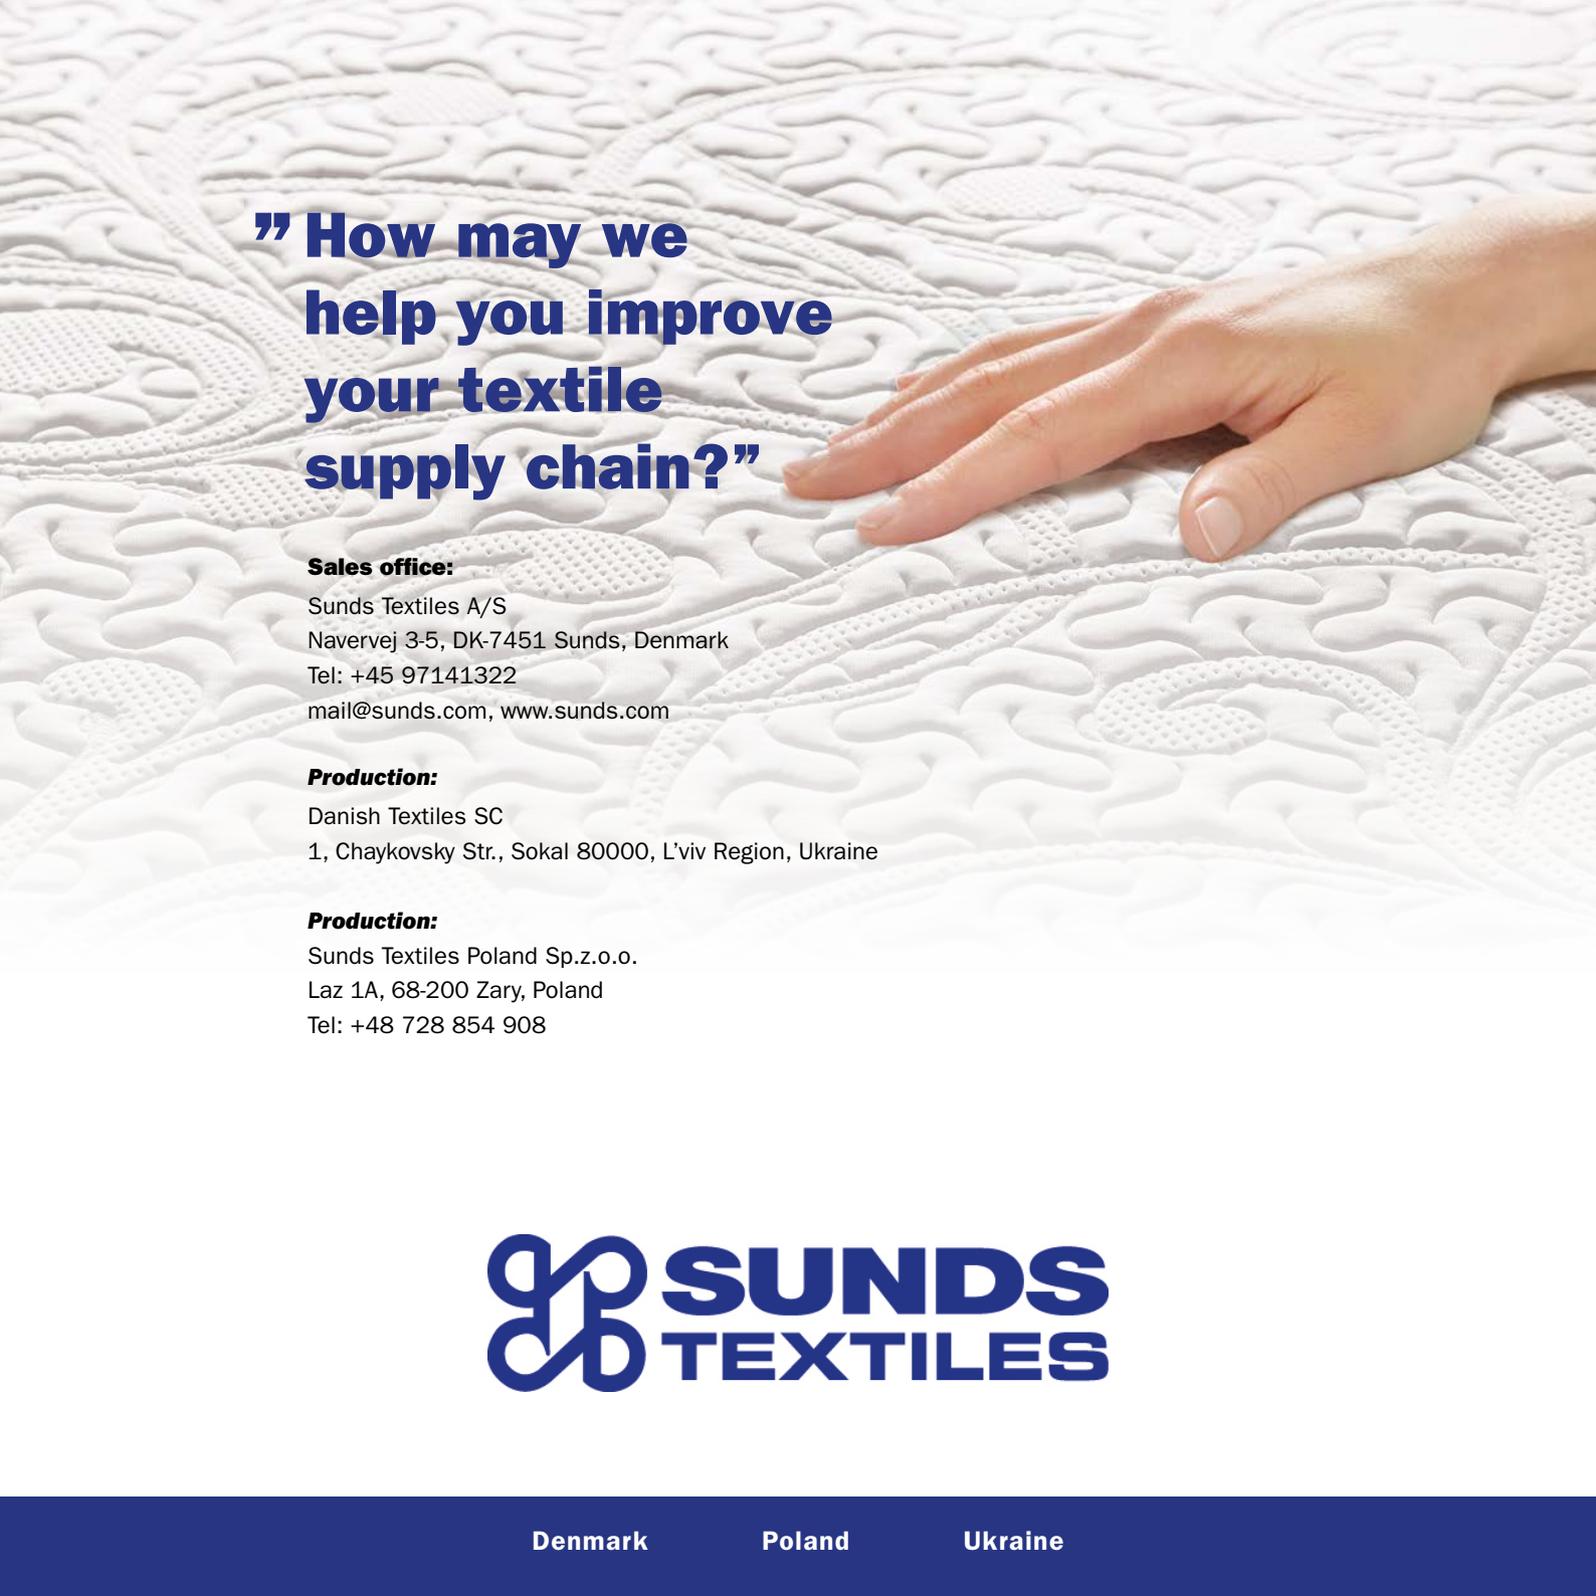

Our experienced staff members are ready to supply the covers and the quality you expect.
